

VILLAGE OF LAKE GEORGE PARKING PASSES

Passes for parking on the street and municipal parking lots for convention week are available from Hudson Valley Volunteer Firefighters' Association in cooperation with Village of Lake George for \$20.00 each.

This pass you will be put on your dash in your vehicle. This will allow you to park at the meters without having to pay at the meters or from getting a parking ticket with appropriate fine if the meter runs out or you fail to put money on the meter.

Chief cars, utility Fire Trucks, and etc.. will not be exempt from receiving a parking ticket from the Village if parked at a meter site without one of these parking passes. Unless, you want to feed the meter on a regular basis.

These passes will be on sale on April 27 at our quarterly meeting with the proper cash (\$20.00) or check made out to Hudson Valley Volunteer Firefighters' Association. They will also be on sale at Convention registration.

**To purchase in advance you have to send a email to Beth Brundage:
Bethblg@yahoo.com with your name and number of passes requested. She will respond to you with payment options.**

**Robert Schrader
President of Hudson Valley Volunteer Firefighters' Association**
